- 1. As a regula of final discussions with Colonal Hiller and with the communication of it. Linkpetrick, I am undertaking proparation of specific recommendations that we feel adds properly be included in the report of Colonel Miller's tesk group to the Clark Committee for ultimate includion in the Noover Consission report.
- 2. Though I still have available the suggestions substitted last July, I believe it would be wise for each of you in the light of the discussions you have but with Colemnal Miller and his people to formulate ones your thoughts in this remove.
- I. I would appreciate having these in my hands by noun & dammery and will devote our lumnitum meeting on the 7th to commodificating and finalising thus.
- h. Arevity and procession should be otrepped as there will be opportunity later to pull together supplemental material if desired by Colonel Milar.
- 5. Such quantions as the need for a new building and legislation offecting (IA personnel personnel) meed not be covered as subsiscions have already been such on these Items by the PCI.
